

Water & Sewer Maintenance Technician

Brooklet, Georgia

The City of Brooklet, GA, is seeking a water and sewer technician for its water and utility department to maintain and repair its water and sewer system. The technician will read and repair/replace water meters, operate and maintain power construction equipment, locate water and sewer lines, and maintain and upkeep accurate records and reports.

The starting salary is \$18.31 per hour with a 2.5% salary increase upon completing a six-month probationary period. The City provides the following benefits: health, dental, and vision insurance, life insurance, retirement, paid holidays, and annual and sick leave.

The successful candidate must be a high school graduate and/or have a GED and two years of related experience.

To apply for this position, go to the City of Brooklet website at <https://cityofbrooklet.org> and fill out the online application or email your resume to craw@planters.net.

*Ad will run until position is filled.
